- The program is equipped to serve children grades K - 5th.
- The cost of the program is \$42.50 per child/per day regardless of member status. (It's the same for everyone.)
- Employees can choose the days the days they register for. (For example, if they only need M/W/F, that's an option. If they only need Tuesdays, that's fine. Etc..etc.. It's day-to-day.)
