## *GEMS-CARE 2017*

### Emergencies Happen

One ambulance transport can cost more than \$900. Most insurance providers, including Medicare, expect you to pay 20% or more of the ambulance bill.

### Act Now

Join the Gaston County EMS GEMS-CARE program today. When you join our subscription program and need an ambulance transport, your insurance will be billed, but you pay nothing out of pocket after your insurance pays based on your coverage.

## Gaston County EMS GEMS-CARE Program

Coverage may be selected for emergency transports only, or for emergency transports AND medically necessary non-emergency transports to a hospital.

Enrollment is open year round. Coverage is applicable until the end of the designated calendar year, regardless of when purchased.

We will mail you correspondence to confirm your membership.

Medicaid-covered patients are not eligible for membership.
