

# american rescue plan act (ARPA)

In May 2021, Gaston County was awarded over \$43 million in federal funds to meet urgent community needs in the wake of COVID-19. This report summarizes eligible uses of the funds (as of interim guidance), the County's current strategy, and a list of potential projects by strategic focus areas.

## Gaston County's allocation

# \$43,612,126

Distributed in two installments,  
1/2 in **MAY 2021** and 1/2 in **MAY 2022**

# 2024

deadline to  
**OBLIGATE** the funds

# 2026

deadline to  
**EXPEND** the funds

## What can the funds be used for?

Supporting  
public health  
response

Addressing  
negative  
economic impacts

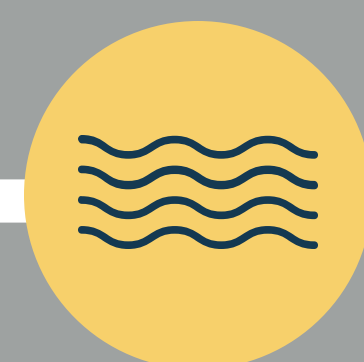

Serving hardest-hit  
communities &  
families

Investing in  
broadband  
infrastructure\*

Investing in  
water & sewer  
infrastructure

Replacing lost  
public sector  
revenue\*

Providing premium  
pay for essential  
workers

## What is Gaston County doing currently?

An internal committee has been meeting since April 2021 to discuss eligible uses of funds, potential projects, and financial reporting. The group recently expanded to involve other departments including Public Health, Public Works and Emergency Mgmt.

### Completed

- ✓ Internal Committee
- ✓ Financial Reporting
- ✓ Peer Research

### In-Progress

- Application Process
- Evaluation Matrix
- Community Engagement
- Transformative Projects
- Consider Grant-Funded  
Position to Manage ARPA

\*As of this report, Gaston County does not qualify for revenue replacement. Additionally, local governments in North Carolina have limited authority to provide broadband services.

The following projects, totaling \$62.4M for those with cost estimates, are currently being considered for ARPA funding. Projects still need to be thoroughly evaluated using the finalized evaluation matrix. Inclusion on this list does not mean that a project has been deemed eligible.

# 1 Community Health, Safety & Well-Being

Est. \$58.9 million

## Supporting public health response

Public Health facility study and improvements - **\$12.1M**
